

bio-familia AG data protection policy

Agreement to data processing

bio-familia AG views data protection as an important concern. bio-familia AG complies with the requirements of the Swiss Federal Act on Data Protection and processes your data in accordance with this data protection policy. You agree to your data being processed according to this data protection policy, including any processing of sensitive personal data.

Accuracy and type of data

You confirm that your details are truthful, complete, up-to-date and are not misleading. You can view and update your data at any time. You acknowledge that any statements or information in your application or in interviews that are intentionally false or misleading could cause your application to be rejected, and if you have already been employed, disciplinary action (including termination of employment) could be taken.

You acknowledge that your data could include highly confidential data (e.g. about health, criminal records, etc.) or personality profiles.

Purpose of data processing

Your data will be used for the following purposes: recruitment, statistics, personnel administration and for management purposes.

Disclosure of data

bio-familia AG can commission third parties (such as service providers, recruitment agencies etc.) both inside and outside of Switzerland to process data. bio-familia AG will take the necessary measures to ensure that your data is adequately protected.

Information, adjustment and deletion of your data

You can view, edit or delete your profile at any time. bio-familia AG will delete your data after recruitment has ended, unless you request that the data be stored.

Statutory archiving and storage obligations apply.

Data security

bio-familia AG, like any service provider, cannot guarantee that data transmitted electronically will not be viewed by a third party or that it will not get lost and does not accept any liability regarding this matter.

Agreement

By accepting the terms of the data protection regulations, you confirm that you have read and understood this data protection policy and agree to the processing of your data. Your confirmation will be logged.

Good luck with your application!
